

LLOYD INSULATIONS (INDIA) LIMITED

QUALITY, HEALTH, SAFETY & ENVIRONMENTAL (QHSE) POLICY

Lloyd Insulations (India) Limited, is committed to provide high quality products and services without adversely affecting the natural resources, environment and health and safety of all our stakeholders.

For achieving our mission, we are committed to:

-  Establish, measure, monitor, assess and continually improve our Quality, Health, Safety and Environmental performances through objectives / targets, control of hazards and the encouragement of innovation;
-  Complying in letter and spirit to fulfill requirements of all applicable Environmental, OH&S (Occupational Health and Safety) and Statutory / Regulatory requirements;
-  Continuously upgrade knowledge & skill of our employees through continuous professional development by providing a learning environment and required training;
-  Prevent pollution by promoting and implementing in our activities appropriate techniques;
-  Provide healthy and safe workplaces by minimization and isolation of the risk for our employees, contractors and visitors;
-  Widely publicize and make this Policy available to interested parties.

We have accepted to demonstrate our leadership by reinforcing this policy throughout the company through our trained, dedicated and empowered employees by constant application of better management practices and technology in line with Lloyd Insulations (India) Limited Vision and Policies.

Date: 15-11-2012

NILENDER P. PUNJ
Chairman & Managing Director
